

INTERNATIONAL COMMUNITY CRICKET TRUST
(UK Registered Charity No: 1119716)

'GIFT AID' IT!

The International Community Cricket Trust offers freely-available practical support services and facilities to c8,800 non-professional community cricket clubs throughout the United Kingdom. These much-needed services are designed to help them survive, develop and recruit more, younger, participants from within their local communities into the game. They are an integral part of an 'education-through-sport' development programme designed to help overcome the problems caused by the selling-off of state school and local authority playing fields and sports grounds for commercial development, and to combat the causes of youth obesity, street crime, and alcohol and drug abuse. Your 'Gift Aid' donation is vital to our success!

Through Gift Aid, the International Community Cricket Trust is able to claim back tax relief on donations made by UK taxpayers. Currently, that is worth 28p for each £1 you give, turning a donation of, for example, £1000 into £1280. All you need to do is tick the box below stating that with effect from the date of this Declaration – and until you notify us to the contrary – you want all the donations you make to us treated as Gift Aid donations.

I pay tax in the UK and want my donations treated as Gift Aid Yes/No

(Note: to qualify for Gift Aid, what you pay in Income Tax and/or Capital Gains Tax must at least equal the amount International Community Cricket Trust will claim in the tax year).

A valid Declaration must be from an individual only. Please ensure that the details above show your correct title and initials. Please remember to let us know immediately if your name or address changes; if you no longer pay enough tax; or, if, at any time, you wish to cancel your Gift Aid Declaration.
